## Black SEED SOAP

WITH NATURAL DEAD SEA MINERALS

A unique combination of Dead Sea minerals, Black Seed Oil, Black Seed granules and natural oils. Deep cleanse and clarifies skin by helping remove the top layer of dead skin and maintain its natural pH balance.

Established in 1994, Jordan Company for Dead Sea Products specializes in the production and supply of skin care products enriched with natural Dead Sea Minerals, that are renowned for their beautifying and therapeutic benefits. We care to offer our customers effective formulas for the skin that are considered to be "food to the skin".

**The Dead Sea** is one of the most spectacular natural landscapes in the world. The saltiest body of water on earth, the lowest point on earth (427 meters /1,401 ft below sea level), and the world's richest source of natural minerals. It is rich in more than 31 types that are renowned for their beautifying and therapeutic benefits and are essential for the health and care of the skin, including Magnesium, Calcium, Potassium, Bromine, Sulfur, and Iodine and many others.

**The Dead Sea** Therapy has proved itself to be of value in treating a number of Dermatological, Rheumatologic and Pulmonary diseases especially acne, psoriasis, Rheumatoid arthritis, rheumatism, osteoarthritis and eczema.
